- a) Current Liabilities of Rs. 291.96 lakhs includes Rs. 16.23 lakhs on account of provisions made for various expenses.
- b) Interest earned on Grant-in-aid amounting Rs. 49,89,047/- which is refundable to Government account as per the stipulations is shown separately under current liabilities.
- c) No provision has been made in respect of liability towards leave encashment payable to employees and the same is accounted as and when the expenditure is incurred on retirement, etc. of employees.

4) Fixed Assets - Schedule 4

- a) In the absence of adequate records to assess the correct value of cost of fixed assets acquired upto 31.03.2018 which are being carried forward in the books at WDV value (except freehold land stated at cost) and the additions during the year being reflected at costs, the depreciation thereon has been computed separately in respect of both and the WDV of respective assets has been reflected accordingly. This has been done to ensure reflection of cost of at least Fixed Block added effective from 01.04.2018 at 'Cost' instead of 'WDV' basis, whereas the assets acquired upto 31.03.2018 would be depreciated / written off during the residual life of the assets.
- b) Fixed Assets are stated at written down value, as stated above, after providing depreciation at the rate provided in the Income tax Act 1961.
- c) Artefacts, in the form of "Sculptures", were inventorised as of 31.03.2016 and the value of individual items was assigned by an Expert Committee. The useful life of

sculptures has been estimated during the year on an overall basis by the Management to be 25 years. In respect of sculptures brought into books as of 31.03.2016, the residual useful life has been assumed to be 25 years by the Management, having regard to the physical conditions/ status of such sculptures and the value assigned by the Expert Committee has been accordingly reckoned as cost. The depreciation has been charged on sculptures @ 4% per annum under 'Straight Line Method'.

5) Investments-Others-Schedule 5

Investments are carried at cost. Investment of Rs.3525 lakhs has been made in scheduled banks and in Government of Tamil Nadu undertakings.

6) Current Assets – Schedule 6

- a) Items held in the form of 'Paintings' were inventorised and the value of each item was also assigned by an Expert Committee as of 31.03.2016. Subsequent addition of paintings during the years ended 31.03.2017 and 31.03.2018 have also been added as per value assigned by the artists themselves.
- b) In respect of paintings which were brought to books of account as of 31.03.2016, the individual cost could not be assessed with reasonable accuracy, as they were accumulated over a long period from inception. Accordingly, the value assigned by the expert Committee has been reckoned to be 'Cost', which is lower of estimated Market / Net Realisable Value. In respect of additions of such items during 2016-17 and 2017-18, instead of the actual cost of such items as identified by the management as per records/books of account, the same was brought to books on the basis of estimated values assigned by artists. For the FY 2020-21, paintings are recognised in the books to the extent of actual expense incurred towards the same.
- c) Confirmation of balances not available for advances recoverable to the tune of Rs. 35,65,212/- (line-item details given vide Annexure 1) and Advances receivable FOI – Cambodia Rs. 1,73,171/-.

7) Contingent Liabilities

As per information furnished by the management, there is no liability of Contingent nature during the financial year ending 31.3.2021.

8) **General**

- a) The Office of Principal Chief Controller of Accounts (PCCA), Ministry of external affairs, New Delhi vide their letters dated 30.10.20219 and 05.02.20220 has demanded outstanding dues amounting to Rs. 79,55,169 from SZCC. - b) Rs.72,56,286 spent by SZCC towards setting up of Shilparamam centre is being claimed by the management and the same has not yet been admitted by Shilparamam centre.
- c) Interest earned on corpus fund investments is credited to the Income and Expenditure account and is utilised for the maintenance of the Centre.
- d) The surplus/deficit arising from the Income and expenditure account is transferred in entirety to 'General Reserves'.
- e) Previous year figures regrouped / reclassified wherever necessary.

An audit includes examining, on a test basis, evidences supporting the amounts and disclosure in the financial statement. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of financial statements. We believe that our audit provides a reasonable basis for our opinion.
